

Catholic Educational Association of the Philippines

8 March 2010

Dear Colleagues,

We greet you with the graces of the Lenten season.

About this time three years ago in 2007, many of us were involved directly or indirectly in organizing and/or supporting the party-list, A TEACHER. At that time we wanted a voice in Congress so that the issues and concerns of private education in the country may reach the ears of lawmakers.

Unfortunately, A TEACHER party-list did not fulfil our expectations and, consequently, will be unable to represent CEAP concerns. To this end, the CEAP Board of Directors in its meeting on 4 March 2010 decided to withdraw support as an association from A Teacher party-list effective immediately.

CEAP at this time will not endorse any party-list as an association. Instead, CEAP will partner with our respective district representatives in Congress to pursue our priority education agenda.

Please be guided accordingly.

May we be renewed during this Lenten season so that God's will may reign in our schools and in our land.

We also wish to convey our sincerest gratitude to all of you for the support you have always accorded us and for the confidence you have entrusted to us in the service of the Association. May God bless us all!

Sincerely yours in Christ,
