PhilCARE Needs Your Care

Dear Friends:

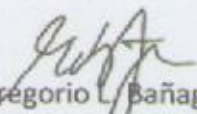

PhilCARE was conceived during the successful Joint Jubilee Congress of CBCP-Episcopal Commission on Catechesis (ECCCE) and Catholic Educational Association of the Philippines (CEAP) that we held at the Philippine International Convention Center in September 2000. It is meant to assist dioceses, parishes and schools to carry out catechetical and religious instruction among public and private schools; and to promote the welfare and development of catechists and religion teachers.

Please continue to join us in the campaign to build the Foundation's resources: Let us have a Peso-Twinning Drive: Every peso a student of ours contributes voluntarily for the Foundation, let us Match and Twin with a peso from the school treasury. In this regard, may we request for the institution's share in your school budget for SY 2011-2012, In this way, the partnership of school and catechesis which is the end in view of the Foundation is replicated in the very process of building the Foundation's fund.

May we count on your support?

If we take care of PhilCARE, it will take care of the catechetical and religious education needs of our country and people.

Thank you and God bless.

Rev. Fr. Gregorio L. Bañaga, Jr., CM
CEAP President

+Socrates B. Villegas, D.D.
