MEMORANDUM FROM THE CHAIRPERSON

FOR : HEADS OF ALL HIGHER EDUCATION INSTITUTIONS
ALL CHED REGIONAL OFFICE DIRECTORS

SUBJECT : 3rd CONSULTATION ON THE RECOMMENDATIONS OF THE TASK FORCE ON QUALITY ASSURANCE (TFQA) ON THE PROPOSED OUTCOMES- AND TYPOLOGY-BASED QUALITY ASSURANCE IN HIGHER EDUCATION ASSURANCE FRAMEWORK

DATE : 4 April 2012

The Commission on Higher Education (CHED) through the Task Force on Quality Assurance shall conduct the 3rd Zonal Consultation Meeting on the quality assurance component of its Higher Education Reform Agenda (HERA). In light of the issues and concerns raised in the first two zonal consultations, the 3rd consultation aims to present and gather feedback on the latest revision of the Task Force recommendations. Following the format suggested by several HEI heads in the last consultation, this Round will entail separate sessions for universities and colleges/smaller HEIs. The 3rd Consultation will also involve discussions with representatives of CHED partners in the region (i.e. the Regional Development Councils), as well as CHED's internal stakeholders on the ground—the CHED regional officials, chiefs, supervisors and the technical staff involved in quality assurance.

In this connection, presidents or heads of all higher education institutions are enjoined to participate in the Consultation. In the event the HEI heads are unable to make it, they are requested to send their Vice-presidents for Academic Affairs in their place. CHED Regional Directors are hereby requested to disseminate information on the consultation to all concerned, including RDC representatives. They are further asked to submit the confirmed list of attendees to the Quality Management Unit of the Office of Program Standards (QMU-OPS) at least two days prior to the scheduled activity. The consultation schedule is as follows. Additional information on the venue will follow.

The CHED QMU-OPS will coordinate with the Regional Office for the slots of regional staff and partners. The Regional Directors are requested to invite CHED partners to attend the consultation with HEIs that is closest to the scheduled meeting with them. This will give our partners a flavor of the issues of higher education in their region. They will also have the opportunity to share developments in the region that are relevant to our HEIs.

Thank you.
