

EP # 7. Nature is beautiful and We are Stewards of God's Creation

STEWARDSHIP

STEWARDSHIP MODEL

Tagapag-alaga

KINSHIP MODEL . . .

KAPATID - 'TOL'

*Caring for nature is a
covenant . . .*

•Covenant Model

- A sacred covenant between man and God

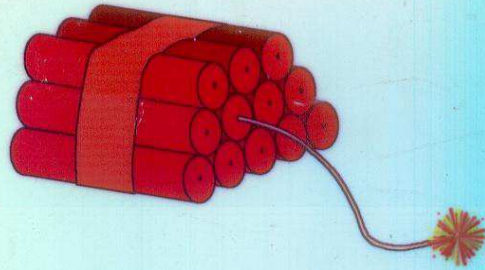

*The God who promises through the
sign of a rainbow*

*“The immanent God:who created this
world loves life, and wishes to
share this life with every
creature...”*

SCHOOLS

Cradles of Value Formation

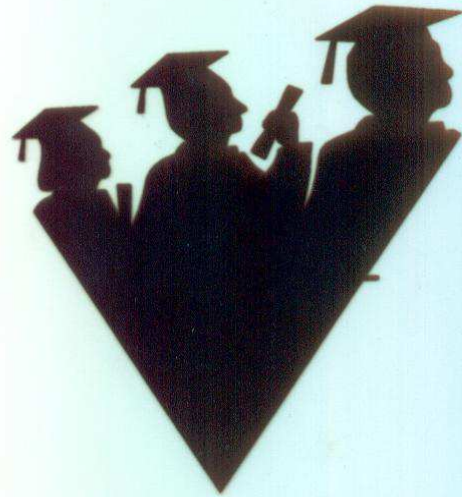

**IT IS NOT SIMPLE,
UNEDUCATED PEASANTS THAT
HAVE RUINED THE EARTH.**

**IT IS PEOPLE WITH Ph. Ds AND
MASTER'S DEGREES THAT
INVENTED THE ATOMIC BOMB,
DEVELOPED POISONOUS
CHEMICALS AND BUILT
HUMONGOUS DAMS THAT
HAVE SUBMERGED FORESTS,
DIVERTED RIVERS AND
OBLITERATED LAND,
BIODIVERSITY AND
INDIGENOUS CULTURES.**

I can almost hear the Earth groan when graduation time comes around, unleashing all those academics to assault the Earth.

WELCOME!

THANK YOU!

CLOSING PRAYER

CLOSING PRAYER

Heavenly Father, we gather here before you prayerfully basking in your almighty presence.

We praise you for the wondrous miracle of your creation. We glorify you for giving us life.... for the air that cools... the water that cleanses and quenches our thirst... the land that provides our shelter and food.

Almighty Father, we, your appointed custodians of your creation thank you for this day as we collectively join our efforts... our talents... our time... in prayerful discernment on how we can conserve and preserve the beauty of your blessings.

Through our simple actions, we commit

We humbly pray for Your guidance and Your divine inspiration.

Touch us now, O Lord and let Your presence be felt in our deliberations and in our plans ... in our hearts... and in our life.

Forgive us for violating your creation, our Mother Nature. Inspire us in our sincere effort to help her and restore her back to a state acceptable to You. That we be made truly worthy of being called your children, stewards of your creation.
