Forum on Global Media Trends and Community Media
By Prof. Lisa Brooten, Ph.D.

5. Research

an on-going program to document and study the trends and issues of Philippine Media.

A finished project was a series of in-depth interviews with key players in the media industry – owners, programmers, advertising agencies, media organizations, media professors, and personalities – **"The Philippine Media Trends, Issues and Needs"** published in year 2000.

6. Titus Brandsma Award Philippines

A biennial event that gives recognition to outstanding Filipino Journalists and community media in the country for leadership in journalism and for press freedom.

It is our country's version of the prestigious international **Titus Brandsma Award** given by the International Christian Organization of Media (ICOM), the world forum of professionals in religious and secular media, the Dutch Bishops' Conference and Dutch Carmel Province.
